- Fully enclosed dirt-proof design
- Sealed-in, permanently lubricated "floating" nut
- Closest tolerances, smoother operation
- Unconditional 5 year guarantee
- No premium in price

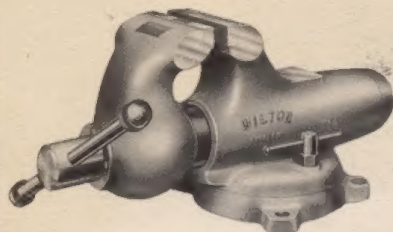

THE FINEST NAME IN VISES

WILTON MACHINISTS' VISES

Recent improvements include greater depth of throat, larger steel jaw faces, and largest maximum openings. Most sizes are heavier than competitive grey iron vises, despite greater strength of Wilton's malleable alloy castings.

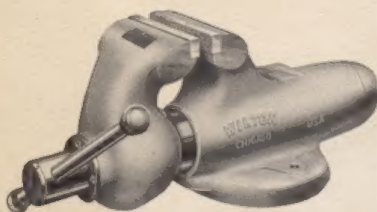

New swivel bases have 360° rotation. Heavy rubber bumpers on handles. Unconditional 5 year guarantee. You pay no more for Wilton quality!

SWIVEL BASE TYPE

Catalog Number	Jaw Width	Maximum Opening	Depth of Throat	Approx. Ship. Wght.	List Price
